To ensure the redistricting process accurately reflects the best interest of Palmdale's diverse community, the City Council has appointed an Advisory Redistricting Commission to gather public feedback and provide recommendations on draft maps.

To help share information about redistricting, gather draft maps and collect public feedback, the City also launched a redistricting website: [DrawPalmdale.org](https://drawpalmdale.org). The website includes background information about redistricting, a schedule outlining public meetings and deadlines, frequently asked questions, resources for drawing maps, and more information on how to get directly involved in the redistricting process. As the process moves forward in the coming months, Palmdale will continue to update the website to include additional information on upcoming meetings and events.

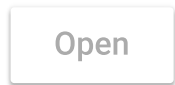

As required by law, the City of Palmdale will hold four public hearings at the City Council Chamber. The first meeting took place on Sept. 14, and the other meetings are scheduled for Nov. 3 at 7:30 p.m., January 2022 (TBA) and Feb. 2022 (TBA)
