Presentation and discussion of the redistricting process and update and analysis of draft maps submitted by the public.

Communities of Interest as follows:

- Area around Plant 42
- Rancho Vista; Area around City Hall (including seniors, historically black community, apartment dwellers)

Commissioner Coulson asked Ms. Parks to compare map 203 to City's current District map. Commissioner Thedford requested a detailed review of map 204 to identify the difference in District 2 and District 4 to view the citizen voting age for the referenced districts. Commissioner Butler requested overlays of maps that are population balanced. Maps 202, 203, 205 and 206 were analyzed and discussed about population balance. A detailed discussion ensued regarding multiple inquiries from the Commissioner.
