RECOMMENDATION

Staff recommends that the City Council:

1. Hold a public hearing introducing proposed Ordinance No. 1579;
2. Receive public testimony regarding proposed Ordinance No. 1579;
3. Adopt Ordinance No. 1579 amending the Palmdale Municipal Code establishing district based elections.

BACKGROUND

Every ten years, California cities with by-district election systems must use new census data to review and, if needed redraw district lines to reflect how local populations have

changed. This process, called redistricting, ensures all districts have nearly equal population. **The redistricting process for the City of Palmdale must be completed by April 17, 2022 pursuant to California Elections Code § 21622.**

The City of Palmdale presently has four council districts and a directly elected mayor. The City adopted its current district boundaries in 2016 based on 2010 census data, as required by law. The district boundaries must now be reconsidered using the 2020 census data and in compliance with the Fair and Inclusive Redistricting for Municipalities and Political Subdivisions (“FAIR MAPS”) Act, which was adopted by the California legislature as AB 849 and took effect January 1, 2020. AB 1276 is a subsequent clean up of AB 849 and took effect on January 1, 2021.

FAIR MAPS ACT and REDISTRICTING REQUIREMENTS:

Under the Act, the City shall draw and adopt district boundaries using the following criteria, in the listed order of priority (See, *California Elections Code* §21621, et. al.):

- 1) Comply with the federal requirements of equal population and the Voting Rights Act;
- 2) Geographically contiguous;
- 3) Undivided neighborhoods and “communities of interest” (socio-economic geographic areas that should be kept together);
- 4) Easily identifiable boundaries;
- 5) Geographic compactness (do not bypass one group of people to get to a more distant group of people); and,
- 6) Shall not favor or discriminate against a political party.

In accordance with the requirements of the FAIR MAPS Act, the City of Palmdale conducted the following Public Hearings and Community Workshops related to redistricting:

September 14, 2021	First Meeting Public Hearing Council Chamber, 38300 Sierra Highway, Suite B, Palmdale

April 6, 2022	Seventh Public Hearing (2 of 2 required in transition to five (5) districts and a rotating mayor) City Council Meeting in the Council Chamber, 38300 Sierra Highway, Suite B, Palmdale

DISCUSSION

At the present time the council and city are in the process of completing statutorily required redistricting. This process must be completed by April 17, 2022. At the March 2, 2022, City Council meeting, Council directed the Interim City Manager to contract with a new demographer to create several proposed maps indicating five (5) council districts and a rotating mayor. The maps have been drawn and were uploaded to the Draw Palmdale website for public viewing on March 11, 2022.

On March 16, 2022 the City Council held the first of two (2) required public hearings to discuss and consider several five (5) district map options, received input from the public,

reviewed and directed staff to prepare Ordinance No. 1579, an Ordinance of the City Council of the City of Palmdale, California to ensure Palmdale's elections are in compliance with the California Voting Rights Act (CVRA). SECTION 4. CEQA. Based upon the whole of the administrative record before it, the City Council hereby finds that a transition from the current election system to district-based elections is exempt from environmental review under the California Environmental Quality Act ("CEQA") (Pub. Resources Code, § 21000 et seq.) pursuant to State CEQA Guidelines (Cal. Code Regs., tit.14, § 15000 et seq.) sections 15061(b)(3), 15320, and 15378(b)(3). Adoption of this Ordinance is an organizational and administrative activity of the City, does not have the potential to result in either a direct or reasonably foreseeable indirect physical change in the environment, and is therefore not a project for purposes of CEQA. (State CEQA Guidelines, §§ 15061 (b)(3); 15378(b)(5).) In the event adoption of this Ordinance does constitute a project, it is categorically exempt under the Class 20 (Changes in the Organization of Local Governments) categorical exemption. (State CEQA Guidelines, § 15320.) Further, none of the exceptions to the exemptions found in State CEQA Guidelines section 15300.2 apply. Staff is hereby directed to prepare, execute and file with the Los Angeles County Clerk a CEQA Notice of Exemption within five (5) working days of the adoption of this Ordinance.

SECTION 5. Effective Date. Pursuant to Government Code section 36937(a), this Ordinance shall become effective immediately following its adoption.

SECTION 7. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase in this Ordinance or any part thereof is for any reason held to be

unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this Ordinance or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof irrespective of the fact that any one (1) or more subsections, subdivisions, paragraphs, sentences, clauses or phrases be declared unconstitutional, or invalid, or ineffective, provided the basic purposes of this Ordinance and the benefits to the City and the public are not substantially impaired.

SECTION 8. The City Clerk shall certify to the adoption of this ordinance and shall cause this ordinance to be published or posted as required by law.
